

Big Bang Beat!

THE ULTIMATE PARTY MACHINE!

"Big Bang Beat! is the greatest can-do, will-do, have-done, rock 'n' soul extravaganza on 24 legs! Not for the faint of heart or feet, ...masters of revelry."

Angus G. Wynne, III, Wynne Entertainment

"The very best party band in America, bar none. On a scale of 1 to 10...a 12."

Dick Smith, Corporate Productions

"We've used them many times... They're a definite crowd pleaser. You can't go wrong with this group."

Julie McKenna, Montgomery Securities

BIG BANG BEAT

You can cater and you can decorate, but nothing injects the fun into a party like a serious, large, rockin' band! Here is a group that's an event all by itself! Tried and true, full-strength, high-octane, professional party entertainment. Big Bang Beat! is good, clean, slightly irreverent fun and they can really loosen up a crowd! Big Bang Beat! is an inspired mix of ingredients that always adds up to a packed dance floor. It's seamless entertainment from start to finish, and performed with the wild abandon that's become the trademark of the Ultimate Party Machine! The group works from a huge repertoire built on the greatest dance and party hits of every era. Modern Rock. The Motown Sound. The Girl Groups, Disco/Funk and more!... And just the good stuff! Think of Big Bang Beat! as party insurance! As the name implies, this band is a BIG band: 12 pieces strong! Four vibrant women singers up front, and a beefy horn section that really pumps it out! Big Bang Beat! is an exciting stage show with lots of choreography and audience participation! With all the dancing and the colorful outfits, BBB! is as much fun to watch as it is to dance to! In the final analysis, this is definitely, the "Best Bang for your Buck"!
