BIG CITY REVUE

For a blow-out party and wild night on the town, Big City Revue epitomizes versatility, musicianship and a love for the music that they play- the infectious dance tunes and rhythms that traverse time. Big City Revue's non-stop soul-injected musical party spectacular is drawing international raves. A dynamic rhythm section consisting of bass, guitar, keyboards, drums, and percussion and an electrifying brass segment of 2 trumpets, trombone, tenor and alto saxes back the 4 energetic vocalists. This is a group that gets the dance floor moving with a versatile mix of 60's Motown, Rhythm & Blues, 70's Disco hits, 80's Pop, current Top 40 and Salsa. Tight arrangements, explosive rhythms and soaring harmonies have made Big City Revue one of the San Francisco Bay Area's most popular party bands. Big City Revue adds 2-3 songs weekly and can customize their song list for your event.
