DJ G-Stav

DJ G-Stav's obsession with music started at an early age. G-Stav first started to DJ when he joined a mobile disc jockey company where he became the top working DJ in the Bay Area. From that experience, he was able to learn how to read crowds and how to provide the necessary music to keep a dance floor packed.

He currently spins at San Francisco's top night clubs and also holds residencies in San Francisco. Along with San Francisco's nightclubs, G-Stav has played at clubs in Los Angeles, San Diego, Las Vegas, Boston, New York City, Canada, Panama City and Greece.

Experiencing the night club scene in Greece and throughout Europe has pushed him to become more involved with house music and, consequently, trying to bring that European/International nightlife back home to San Francisco. G-Stav brings new and intriguing house music directly from Europe, where house music is very prominent.
