

"It would be impossible for me to describe the number and extent of the compliments we received about your performance. You guys were phenomenal. As one of my friends put it "They were the band by which all future parties will be judged."

-Keesal, Young & Sloan

"You carry every event with your energy, enthusiasm, professionalism and the extraordinary talent of you and your band members. I so much appreciate the amount of effort you put into your work, not only when you are on stage, but in preparation for an event. You do everything in your power to ensure that the event evolves according to the client's wishes. You always leave your audience wanting more, which, in my estimation, is the indication of a truly successful party."

Summit Destination Service

David Martin's House Party

David Martins House Party has been doing special events for over 19 years now; doing upwards 85 shows a year all over the U.S. and here in Northern California. The eleven member allstar ensemble has gained an extremely devoted following of fans, event clients, and event producers alike for our high energy performances, incredible musical variety, and extreme care for the people we work for and with. The strengths of DMHPs presentation are indeed our overall sound and visual variety, musicianship, flexibility, and energy! We have a vast repertoire of over 500 songs; accordingly the band can turn on a dime musically and loves surprising our audiences. We can go from 40s Glen Miller or jump jive swing to 07s dance beat or Widespread Panic independent; from 60s Beatles and Motown to Reggae to Country to Sinatra to 70's Disco / R & B to 80s New Wave and AC/DC Classic Rock to 50s Elvis to New Latin/Salsa to Broadway Show Ballads to "The Dave Mathews Band" to Hip Hop "Black Eyed Peas"! Our goal is always to satisfy as many ages, tastes, and cultures that might be represented at your party.
