Masterpiece

Masterpiece is one of the most electrifying R&B groups to spring forth from the Greater Bay Area. The show can only be summed up as "Electric". **Masterpiece** is a four piece rhythm plus 2 male and 2 female vocalist with the option of adding a trumpet and saxophone. They are highly visual as well as being very interactive with the audience and if you add their excellent harmonies, they are definitely over the top! The group specializes in Motown, 90's hits, 50's-60's, 70's disco and funk and of course R&B! With **Masterpiece** you will always receive an Explosive, High Voltage Show!!
