

RHYTHM EXTREME

Are you ready for an explosion of sound, a jumpstart for your heart, a beat for your feet? Then stand back, here comes "Rhythm Extreme"! This 6 – 15 piece "Stomp"-style group has been criss-crossing the country, performing their fast-paced, choreographed show for corporations all over the world!

Because the entire concept of rhythmic performance is using everyday items to produce percussive sounds, the possibilities for your show are endless. We've performed on:

- Trash cans, brooms and clean up gear (dressed as janitors)
- workout equipment (dressed in workout clothes)
- A Ryder van (dressed in overalls)
- BBQ grills (dressed with BBQ aprons)
- Food Service implements (dressed as waiters)
- Briefcases (dressed in trenchcoats)
- Oil cans (for Mobil Oil)
- A Formula One Race Car (dressed in racing jumpsuits)
- Sports Equipment (basketballs, baseball bats, golf clubs, etc)
- Pill containers and clipboards for pharmaceutical companies (dressed in nurse/doctor attire)

We custom produce each show to fit the requirements of our client. Whether it's a 10 minute general session opener, separate 4 – 6 minute vignettes between meal courses, or a stand-alone 40 minute show after dinner, Rhythm Extreme will help make your next event a slam bang success!
