

The Fred Ross Project

"The Heart and Soul of San Francisco"

THE FRED ROSS PROJECT

Fred Ross is a dynamic, talented vocalist and musician who has been performing professionally.... Practically since he could walk! Fred has performed in concert bills with top talent such as Pete Escovedo, Tower of Power, Huey Lewis and the News, Curtis Ohlson, Graham Central Station and Lionel Richie.

As lead vocalist for Bay Area recording artists, Sass, Fred charted a Top-20 hit, "I Only Wanted to Love You", on 20th Century Records. He has recorded vocals for a number of well known artists and producers such as Narada Michael Walden, Lisa Fisher and Aretha Franklin.

The Fred Ross Project is a group strong in the soul and R&B music and is sure to be a hit at your next event!
