HERE ARE JUST A FEW IDEAS...

CUSTOMIZED CORPORATE ENTERTAINMENT

Our staff -- the finest comedy writers in the industry -- will create a show custom-written for your event. A perfect idea for that company-wide meeting or dinner party. Using information you provide about your group or company, we will create an original show that will leave you and your associates howling in the aisles. You won't believe how well we incorporate the material. We're so accurate, it's creepy.

BEST OF SECOND CITY

Looking for some light after-dinner entertainment for your next event?

-- **DON'T PANIC** -- call us! Let us perform a show for you that highlights why Second City has been North America's premier choice for comedy for nearly half a century. You'll see some of the best sketches ever performed on our stages right in the comfort of your favorite venue (did you think we were going to say "living room?"). We're a great way to entertain a diverse group of your favorite clients -- we'll help you seal the deal.

MEETING BREAKS

The perfect way to break up the monotony of a long day's meeting. We will perform custom-written scenes to highlight and reinforce the important points of each section of your meeting (crafty, eh?). Your audience will learn through a series of hilarious scenes strategically placed throughout the course of your meeting (subliminal learning tapes available upon request).

SPEAKER SUPPORT

A laser pointer and Second City Communications? How could any presenter go wrong? Our uproarious comic sketches reiterate important points from your speech and show practical examples of how the information you provide will affect your industry and quite possibly change the world. Don't go to the podium without us.

WARM-UP ACTS

Need something to excite your group and rev 'em up for a big day of information processing? Let one of our performers bring them around to your side. In just a few short minutes we can turn a tired and lethargic crowd into a pack of enthusiastic, screaming maniacs! More energy than a Menudo concert! A great way to kick off the day.

GAME SHOW

An ideal way to engage and involve your group. Imagine a comical quiz show that tests your audience on information provided over the course of your meeting or conference. Beware of trampling . . . people really eat this one up.

TALK SHOW

Forget that old, tired meeting format of yours. Let us revitalize your business gathering in a way it's never been done before. We will script out and enact a "talk show" using your speakers as special celebrity guests. Our host will provide the framework to help bring out your speakers' messages and provide the comic relief to keep your audience alert and entertained. Who knows, you may even win an Emmy.

MASTER OF CEREMONIES

Take the worry out of your awards ceremony this year: hire us. We'll provide one of our top comedian/improvisers to host your event and make your evening one to remember (no more nervous employees to shoulder the responsibility). All our performers are guaranteed 100% stage fright-free.

WALKAROUND COMEDY

Looking for something up close and personal? It doesn't get any better than this! We'll provide a team of our talent to help make your meeting or party an instant success. Whether it's magicians performing at the tables, roaming jugglers, mimes, clowns, musicians or a cast of crazy characters, let Second City Communications help your guests become part of the fun!

ROASTS

Let us have some fun with those retiring employees of yours (they'll be sorry they ever retired.) Our performers will highlight their lives, make them heroes and create a memorable evening for all involved. A lot of fun and a great way to let them know how much they'll be missed.

MURDER MYSTERY

Why hire a third-rate company that uses the same tired scripts over and over? Our original murder mysteries are written especially for you and your group. They're funny, suspenseful and a load of fun. They're also a great way to loosen up after a tough week of meetings -- or break the ice with larger groups.

PROMOTIONAL TOURS

Looking for a spokesperson for your new line of driveway gravel? Let's talk. We can help you promote just about anything. No matter what the product -- whether it's a one day event or a nationwide tour -- Second City Communications has what it takes to bring life, energy and excitement to your next series of promotional events.
