WEST WIND

West Wind is a jazz duo that features a diverse sound of guitar, saxophones and flute in the style of contemporary jazz. The combination of these live instruments with recorded sound tracks mixed onto CD's is at the heart of West Wind's music. West Wind has successfully blended the guitar, sax and flute to create an atmosphere that is pleasing to a wide range of audiences. The music of West Wind includes the sounds of artists such as Antonio Carlos Jobim, George Benson, Carlos Santana, The Rippingtons, Miles Davis, Sting, Chick Corea, The Yellow Jackets, Whitney Houston, Earth, Wind & Fire plus their own original material.
